### Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — Global Marine Systems (Federal) Inc., Fort Lauderdale, Fla., is being awarded a \$5,880,971 CPAF contract for Sea Engineering Services for Fixed Surveillance System Ship Operations. The purpose of this contract is to provide Space and Naval Warfare Systems Command PMW 181 the technical and engineering services to support installation, repair and retrieval of cable systems and associated shipboard and shore based equipment for the Fixed Surveillance Systems of the Integrated Undersea Surveillance System Program. This contract includes options, which if exercised, would bring the cumulative value of this contract to \$31,645,076. Work will be performed aboard the USNS ZEUS (T-ARC 7) (66%), in Williamsburg, Va. (30%) and in Upper Marlboro, Md. (4%), and is expected to be completed by September 2005. Contract funds in the amount of \$700,000 will expire at the end of fiscal year 2001. This contract was competitively procured and one offer was received via the SPAWAR E-commerce web site and via the Commerce Business Daily. Space and Naval Warfare Systems Command, San Diego, is the contracting activity for (N00039-00-C-2201).
